DALOY Care Individual Sponsorship Program

Transforming Lives, Building Futures

Thank you for choosing to partner with DALOY Care. Your sponsorship creates a ripple effect of hope, opportunity, and lasting change. Below is an overview of what you can expect from this meaningful journey.

1. What You Will Receive (Sponsor Expectations)

As a sponsor, you will be deeply connected to your sponsored child's growth and milestones. DALOY Care will provide:

Child & Family Profile: A comprehensive introduction to your sponsored child, their family background, and a recent photograph.

Warm Welcome: A personalized welcome letter or hand-drawn picture from the child to kickstart your journey together.

Direct Communication: Regular letters from the child sharing updates about their life, school, and dreams.

Progress Reports: Detailed quarterly and annual updates on the child's academic, social, and health progress, complete with updated photos.

2. How You Can Connect (Child's Expectations)

Your sponsored child looks forward to building a meaningful relationship with you. You are encouraged to actively engage through:

Letters & Replies: Write to your sponsored child to encourage them, share stories, and reply to their letters.

Special Gifts: Send meaningful gifts or packages for birthdays, holidays, or school milestones.

Personal Visits: Experience the impact firsthand. You are welcome to arrange monitored visits to meet the child at their home, school, or within their community.

3. Our Commitment to the Community (Program Expectations)

Your sponsorship does not just support one child—it strengthens their entire environment. DALOY Care ensures holistic development by implementing the following core pillars:

 **Education:** Ensuring access to quality schooling, learning materials, and academic support.

 **Social Protection:** Safeguarding children's rights, providing psychosocial support, and fostering safe environments.

"Where care flows, futures flourish. Join DALOY Care today."

-  **Economic Empowerment:** Training families in sustainable livelihoods to build financial independence and stability.
-  **Health & Nutrition:** Supplying vital healthcare check-ups, supplemental feeding programs, and clean water access.
-  **Emergency & Disaster Response:** Providing immediate relief, resources, and rehabilitation support during community crises or natural disasters.

4. **Investment Tiers: Choose Your Impact**

Select the monthly partnership level that best fits your ability to give. Every tier directly supports the core pillars above.

Tier	Monthly Investment	Impact Scope
Hope Partner	[] \$5 – \$16 / month (or ₱300 - 1,000)	Covers a child's basic educational supplies, school fees, and healthcare check-ups.
Thrive Partner	[] \$16 – \$48 / month (or ₱1,000 - 3,000)	Covers the child's education and health, plus supplemental nutrition programs for the family.
Legacy Partner	[] \$80 / month (or ₱5,000)	Provides full child support AND funds sustainable livelihood training for the child's family.
	Custom Amount: _____	

5. **How to Sign Up**

Ready to make a difference? Follow these three simple steps:

Who We Are

Daloy Care Organization, Inc. is a Philippine-based, community-driven non-profit organization committed to improving the well-being and future opportunities of most vulnerable children, youth, women, and marginalized communities through integrated and evidence-informed programming.

Our work spans Early Childhood Care and Development (ECCD), Education pathways, Health and Nutrition, Child Protection, Social Protection, Youth Empowerment, Food Security and Livelihoods, Climate Resilience, Disaster Risk Reduction, and Humanitarian Response. Founded on the belief that every child deserves the opportunity to thrive, Daloy Care works alongside communities, national and local governments, schools, families and development partners to strengthen protective environments, promote inclusive development, and build resilience among those most at risk.

Although modest in size, Daloy Care delivers deep, community-centered impact through trusted local partnerships, strong grassroots engagement, and a commitment to sustainable and measurable outcomes. Our proximity to the communities we serve enables us to respond quickly, work effectively in hard-to-reach areas, and ensure that interventions are locally led, relevant, and transformative.

DALOY CARE ORGANIZATION, INC.

SPONSORSHIP PROGRAM FACT SHEET

Your Contribution at Work: Empowering Children, Strengthening Families, Building Resilient Communities

1. PROGRAM OVERVIEW & STRATEGIC GOAL

At DALOY Care Organization, Inc., we recognize that the challenges faced by vulnerable children and families are multidimensional and deeply interconnected. Poverty, limited education, inadequate nutrition, weak child protection systems, and economic instability reinforce one another, creating generational cycles of exclusion. Our **Sponsorship Program** breaks these cycles through a holistic,

child-centered, family-focused, and community-driven approach that addresses immediate survival needs while resolving systemic structural barriers.

Our Program Goal: To improve the well-being, protection, education, health, and resilience of vulnerable children and their families living in underserved communities through an integrated child sponsorship approach that strengthens families, empowers communities, and promotes sustainable development.

The Foundation: Community Social Preparation (The First 6 Months)

Before a single peso is spent on direct programming, the DALOY Care team conducts six months of rigorous community social preparation. This critical phase involves community orientations, deep field assessments, and establishing formal partnerships with local schools, parents, community-based structures, and Local Government Units (LGUs). This ensures solid grassroots alignment, strict local accountability, and long-term program sustainability before launching our core interventions.

2. WHERE YOUR CONTRIBUTION IS ALLOCATED

Individual sponsorship contributions are combined into a centralized pool of resources. This **Pooling of Resources Strategy** maximizes obtaining power and guarantees that your sponsored child, parent, and every community enrolled in the program receives comprehensive, uninterrupted interventions. Your funding powers six core programmatic pillars:

- **Integrated and Holistic Early Childhood Care and Development (ECCD):** Secures the critical window of development (birth to 8 years) by establishing and supporting community-based early learning centers and child-friendly spaces. Funding covers classroom materials, teacher capacity building, school readiness campaigns, and inclusive support for children with developmental delays.
- **Integrated and Holistic Education Pathways:** Provides direct educational assistance and comprehensive school supplies distributions. Funds also establish learning support and remedial reading/numeracy initiatives for out-of-school youth and indigenous children, alongside youth leadership development and STEM innovation activities.
- **Integrated and Holistic Youth Skills Training & Women's Leadership:** Drives socio-economic mobility by providing technical-vocational skills certifications, career readiness mentorship, entrepreneurship models, and digital literacy training. It empowers grassroots female leaders to handle local governance and promote gender equality.
- **Integrated and Holistic Social Protection & Economic Empowerment:** Secures household financial stability by backing sustainable farming initiatives for smallholder agricultural families and Indigenous Peoples (IP) households. It establishes community-driven micro-enterprises, financial literacy courses, and critical safety nets against poverty.
- **Integrated and Holistic Humanitarian Response, WASH & Climate Resilience:** Builds disaster-ready communities through community-based disaster risk reduction (CBDRR) mapping, climate-smart livelihoods, and public health water, sanitation, and hygiene (WASH) infrastructure. It ensures immediate emergency relief and food security deployment during severe weather crises.

- **Integrated and Holistic Health and Nutrition:** Deploys strategic community wellness and targeted nutritional feeding support programs for malnourished children. It expands maternal-child health education, community-wide preventive health awareness campaigns, and vital mental health and psychosocial support services.

3. FINANCIAL STEWARDSHIP & TRANSPARENCY

DALOY Care Organization, Inc. operates under rigid financial compliance systems to ensure that maximum funding impacts grassroots beneficiaries. We maintain a strict **70/30 Financial Position model** for the allocation of our annual operating budget, which ranges between **PHP 8,000,000 to PHP 10,000,000** per localized implementation cycle:

Allocation Type	Percentage	Scope of Funded Items
Direct Program Investments	100%	Direct delivery of ECCD learning spaces, Education learning materials, school feeding, farm inputs and financial support, medical/WASH supplies, vocational training scholarships, and emergency relief provisions and other related activities

- **External Verification:** Daloy Care financial records and program delivery metrics are audited annually by an independent certified external auditor. This ensures full adherence to national accounting and NGO reporting frameworks.
- **Public Transparency:** The comprehensive annual financial and narrative program reports are published openly on the official DALOY Care website, accessible anytime to current and prospective partners.
- **On-Demand Copy Delivery:** Every individual sponsor or corporate social responsibility (CSR) partner has the right to review detailed expense records. An unedited copy of our complete official audited financial statement can be requested at any time and will be shared immediately by our finance department.

4. OUR COLLABORATIVE ECOSYSTEM FOR SUSTAINED IMPACT

We believe sustainable transformation is never achieved in isolation. To multiply the value of your contribution, DALOY Care co-designs and delivers all localized field interventions alongside key strategic stakeholders, maximizing community ownership:

- **Local Governance:** National government agencies and Local Government Units (LGUs) to embed programs within local development councils.
- **Civil Society & Academia:** Grassroots organizations and schools to refine educational pathways and track development progress.
- **Private Sector & Networks:** Corporate CSR partners, international donor agencies, and dedicated volunteer networks providing matching grants, technical assets, and immediate volunteer manpower.

Thank you for standing with DALOY Care Organization, Inc. Together, we are bridging gaps, building safety nets, and ensuring that no vulnerable child is left behind.
